CHORDS

"Turn The Page"

Bob Seger and The Silver Bullet Band

The Silver Bullet Band uses something like a suspended strumming style for this song, they sort of pick through the chords. If you listen to the song, you can pick it up easily.

[Verse]

Em

On a long and lonesome highway, east of Omaha

D

You can listen to the engine moanin' out it's one

lone song

A

You can think about the woman, or the girl you

Em

knew the night before

Em

But your thoughts will soon be wandering the way
they always do

D

When you're riding sixteen hours and there's
nothing much to do

A

And you don't feel much like riding, you just wish

Em

the trip was through
Mmmm

[Chorus]

Em **D** **Em**
Say, here I am, on the road again

D **Em**
There I am, up on the stage

D **A**
Here I go, playing star again

C **D** **Em**
There I go, turn the page, ah

[Verse]

Em

Well, you walk into a restaurant, strung out from
the road

D

And you feel the eyes upon you as you're shaking
off the cold

A

You pretend it doesn't bother you but you just

Em

want to explode

Em

Most times you can't hear 'em talk, other times
you can

D

All the same old clichés: "Is that a woman or a
man?"

A

And you always seem outnumbered, you don't dare

Em

make a stand

[Chorus]

Em

D

Em

Here I am, on the road again

D **Em**
There I am, up on the stage
D **A**
Here I go, playing star again
C **D** **Em**
There I go, turn the page, ah

[Bridge]

Em
Out there in the spotlight you're a million miles
away

D
Every ounce of energy you try to give away
A
As the sweat pours out your body like the music
Em
that you play

[Saxophone riff]

Later in the evening as you lie awake in bed

With the echoes from the amplifiers ringin' in
your head

You smoke the day's last cigarette, remembering

Em

what she said
