He was a hard-headed man, he was brutally

handsome,

and she was terminally pretty.

**E**

She held him up, and he held her for ransom in the

heart

of the cold, cold city.

**A7**

He had a nasty reputation as a cruel dude, they  
**E**  
said he

was ruthless, they said he was crude.

**Bm**

They had one thing in common, they were good in  
bed.

They threw outrageous parties, they paid heavenly  
bills.

**A7**

There were lines on the mirror, lines on her face,

**Em**

she pretended

**E**

not to notice, she was caught up in the race.

**B**

Out every evening, until it was light, he was too

The doctor say he's comin', but you gotta pay him

cash.
